

# Non-Approved Electives

## OUA Bachelor of Accounting

**These units are NOT acceptable as electives as they are too similar to core units**

If students have completed these units as part of another degree with OUA before they started the Bachelor of Accounting degree then they can be used as either elective units or **where applicable** they can apply for credit. Students cannot choose to study these units as electives after commencing in the Bachelor of Accounting program. Students cannot study any of these units as substitutes for core units in the Bachelor of Accounting program.
