

## RMIT SSCI BIOSCIENCES - OUA PRAC SCHEDULE 2018

**NB: This schedule ignores units with no-prac component.**

A full list of RMIT science offerings for the year is available on the OUA web page: <https://www.open.edu.au>

Campus location is chosen to minimise the transportation of equipment & materials between campuses, so OUA prac blocks will generally run on the same campus as the HE equivalent. This does not preclude running units on the alternate campus where a valid reason exists.

**PLEASE NOTE:** It is the responsibility of Course Co-ordinators to ensure that the designated room is booked for their use.
