

## FULLTIME - Suggested Study Plan (Start SP 1)

### BAppSc (Construction Management)

Year One		CR	SP1	SP2	SP3	SP4
APC100	Academic and Professional Communication	25				
CME101	Low Rise Construction	25				
CME103	Introduction to Management in Construction	25				
CME104	Structures	25				
CME105	Introduction to Measurement of Construction Works	25				
CME106	High Rise Construction	25				
CME107	Site Management	25				
CME109	Construction Project Safety Management	25				
		200				
Year Two		CR	SP1	SP2	SP3	SP4
CME201	Building Measurement	25				
CME202	Construction Plant and Equipment	25				
CME203	Specialised Construction	25				
CME204	Building Services	25				
CME205	Building Information Management	25				
CME206	Building Surveying	25				
CME208	Cost Planning	25				
CME209	Sustainable Construction	25				
		200				
Year Three		CR	SP1	SP2	SP3	SP4
CME301	Infrastructure Construction	25				
CME302	Engineering Measurement	25				
CME303	Project Delivery Systems	25				
CME306	Construction Planning and Scheduling	25				
CME307	Cost Management	25				
CME308	Construction Estimating and Risk Management	25				
CME309	Construction Contracts and Law	25				
	Elective	25				
		200				
Year Four - Professional Stream		CR	SP1	SP2	SP3	SP4
CME402	Project Development and Appraisal	25				
CME403	Integrated Construction Project 1	25				
CME404	Facilities Management	25				
CME415	Contract Administration	25				
CME416	Quality in Construction	25				
CME405	Research in Professional Practice in Construction	25				
CME417	Integrated Construction Project 2	50				
		200				
Year Four - Honours Stream		CR	SP1	SP2	SP3	SP4
CME402	Project Development and Appraisal	25				
CME403	Integrated Construction Project 1	25				
CME404	Facilities Management	25				
CME415	Contract Administration	25				
CME416	Quality in Construction	25				
CME408	Building Dissertation 1	25				
CME409	Building Dissertation 2	50				
		200				

## FULLTIME - Suggested Study Plan (Start SP 2)

### BAppSc (Construction Management)

Year One		CR	SP1	SP2	SP3	SP4	SP1
APC100	Academic and Professional Communication	25					
CME101	Low Rise Construction	25					
CME103	Introduction to Management in Construction	25					
CME104	Structures	25					
CME105	Introduction to Measurement of Construction Works	25					
CME106	High Rise Construction	25					
CME107	Site Management	25					
CME109	Construction Project Safety Management	25					
		200					
Year Two		CR	SP1	SP2	SP3	SP4	SP1
CME201	Building Measurement	25					
CME202	Construction Plant and Equipment	25					
CME203	Specialised Construction	25					
CME204	Building Services	25					
CME205	Building Information Management	25					
CME206	Building Surveying	25					
CME208	Cost Planning	25					
CME209	Sustainable Construction	25					
		200					
Year Three		CR	SP1	SP2	SP3	SP4	SP1
CME301	Infrastructure Construction	25					
CME302	Engineering Measurement	25					
CME303	Project Delivery Systems	25					
CME306	Construction Planning and Scheduling	25					
CME307	Cost Management	25					
CME308	Construction Estimating and Risk Management	25					
CME309	Construction Contracts and Law	25					
	Elective	25					
		200					
Year Four - Professional Stream		CR	SP1	SP2	SP3	SP4	SP1
CME402	Project Development and Appraisal	25					
CME403	Integrated Construction Project 1	25					
CME404	Facilities Management	25					
CME415	Contract Administration	25					
CME416	Quality in Construction	25					
CME405	Research in Professional Practice in Construction	25					
CME417	Integrated Construction Project 2	50					
		200					
Year Four - Honours Stream		CR	SP1	SP2	SP3	SP4	SP1
CME402	Project Development and Appraisal	25					
CME403	Integrated Construction Project 1	25					
CME404	Facilities Management	25					
CME415	Contract Administration	25					
CME416	Quality in Construction	25					
CME408	Building Dissertation 1	25					
CME409	Building Dissertation 2	50					
		200
