CTED4005	EDC485	Prayer and Morality in Catholic Studies
CTED4004	EDC484	Creed and Sacraments in Catholic Studies

 subjects specific to English Major

 Specified Elective subject

Guidelines for Enrolment in Bachelor of Education (Secondary Education)

1. All Level 1 subjects are unrestricted - however students must be aware that **three** Level 1 subjects are specific to the Major.
2. Students are strongly encouraged to complete **all** the subjects in each level of the degree before progressing to the subjects of the subsequent level. For example, all Level 1 subjects should be completed prior to enrolling in a Level 2 subject. Students must complete all prerequisite subjects required.
3. Students should ensure they check the *type* of pre-requisite (Mandatory, Conditional, Corequisite) when planning their enrolment. <https://www.open.edu.au/faq-and-glossary/glossary>
4. Students should ensure they check the availability of subjects when planning their enrolment as subjects are not available in every study period. Subject availability for the current calendar year is listed on each subject's page in the OUA Handbook.
5. Specified Electives must be selected from the list, however students may choose **any four** Electives from the list.
6. **All** core and elective subjects must be completed before students can enrol in their final subject, EDC450 Professional Experience 4: The Internship. Students will need to contact hum-ed-ouaprac@curtin.edu.au to request permission to enrol in EDC450.
7. A full-time study load is two units per study period (which equates to eight units per year). Approval will not be given to enrol into more than two units per study period if pre-requisites are not met.
