Notes on Elective units

Any subjects offered by OUA can be used as general Electives, depending on the individual subject prerequisites. Students who are considering a second major (from Murdoch offerings) are advised to use their General Elective points to meet the requirements of the second major.

Transition Arrangements

The following units have been retired and replaced by new units.

- BAR100 Academic Learning Skills *plus 1 elective unit* is replaced by ART101.
- BAR150 Ideas and Identity is replaced by MSP100.
- POL298 International Political Economy is replaced by POL201.
- BAR300 Advanced Research in the Arts is replaced by ART202
- Pre-2020 breadth units are replaced by MSP200 and ART208.

Retired subjects, POL161 and SUS309 used to be a core units in this degree. These units will now be counted as electives towards your degree.

To check availability and enrol in units visit the OUA website www.open.edu.au

If you have any queries about your course, you can ask a question in Murdoch's '[MyAnswers](#)', providing your student number and identifying your degree (or intended degree). You may also directly contact the Academic Chair of the degree in which you wish to graduate.
