Notes on Elective units

Any subjects offered by OUA can be used as general Electives, depending on the individual subject prerequisites. Students who are considering a second major (from Murdoch offerings) are advised to use their General Elective points to meet the requirements of the second major.

Transition Arrangements

The following units have been retired and replaced by new units.

- POL224 International Relations Theory and Practice is replaced by POL232 Military Force and Counterterrorism
- POL344 Australian Foreign & Security Policy is replaced by POL335 Policing, Intelligence and Counterterrorism
- POL312 Regional Rivals: China and its Neighbours is replaced by POL334 Middle East Politics and Security
- BAR300 Advanced Research in the Arts is replaced by ART202 The Weight of Data
- POL237 Terrorism and Political Violence in South Asia is replaced by POL337 Terrorism and Political Violence in South Asia

Retired subjects, POL219 and POL319 used to be specified elective options and will still be counted towards the degree.
Pre-2014 foundation units or COD150, ISU102, ISU103, ISU110, ISU111, PTR110, PTR120, SCI13 can be used in place of BAR100.
SSH100 can be used in place of BAR150.

To check availability and enrol in units visit the OUA website www.open.edu.au

If you have any queries about your course, you can ask a question in Murdoch's '[MyAnswers](#)', providing your student number and identifying your degree (or intended degree). You may also directly contact the Academic Chair of the degree in which you wish to graduate.
