Recommended enrolment sequence

Begin the course with:

> INFM520 *Critical Information Values*
>
> INF500 *Knowledge Organisation & Metadata*,
>
> INFM560 *Libraries as Organisations*, and
>
> INF530 *Public and Private Records*

INFM540 *Communities & Literacies* is best studied <u>after</u> INFM560 *Libraries as Organisations*. INF510 *Telling Stories with Data* can be fitted in wherever it works best for your enrolment pattern.

The Option units can be fitted in wherever it works best for your enrolment pattern. The Option units are:

Unit code	Title
PRM500	Project Management Overview
PRM510	Project and People
PRM530	Project Time Management
PRM550	Project Risk Management
MMK520	Storytelling and Digital Media
MMK530	User Experience Design
MMK560	Marketing Intelligence and Analytics
MMK500	Synergising Marketing
MMK550	Digital and Interactive Marketing
PSB510	Organisational Culture
CHRE502	Human Rights History Across Cultures and Religions

Pre-requisites

These units should be taken towards the end of the course.

INFM510 *Leading and Managing in Information Environments* – 50 credit points (2 completed units)

INF520 *Research and Evaluation* - 75 credit points (3 completed units)

INF540 *Digital Preservation* - 75 credit points (3 completed units)

INFM600 *Advanced Discipline Project 1* – INF520 and 200 credit points (8 units completed)

INFM610 *Advanced Discipline Project 2* – INFM600

COM600 *Professional or Creative Practice* - INF520

Practicum placements

Two three-week practicum placements are required to pass the course. Students may apply for equivalency based on previous experience. The practicums are organised for all students by the Practicum Coordinator. The internship attached to COM600 *Professional or Creative Practice* will be organised in liaison with the Practicum Coordinator.
