

# 55A Graduate Certificate in Advanced Practice 2025 Course Planner

## Study Plan for commencement in **Semester 1**

### Year1

Semester 1, 2025

#### **Core Unit**

CAM539

Leadership in Health and Human Services  
*(can be also studied in Semester 2)*

#### **Elective Unit**

Semester 2, 2025

#### **Core Unit**

HPH506

Critical Thinking: Reasoning Skills for Health Professionals

*(can be also studied in Semester 1)*

#### **Elective Unit**

#### **Enrolment information:**

Students can choose to study either **CAM539 Leadership in Health and Human Services** OR **HPH506 Critical Thinking: Reasoning Skills for Health Professionals** in Semester 1.

Depending on your elective unit selection you may also choose to study both core units in Semester 1.

Elective unit options are available on the following page or in the online course link.

The 55A Graduate Certificate in **Advanced Practice** requires the completion of **50 credit points** comprising:

- 25 credit points of **Core Units**
- 25 credit points of **Elective Units**

#### **Articulation**

Students who complete 55A may receive 50 credit points of advanced standing in the **56A Graduate Diploma of Advanced Practice (Specialisation)**.

Students intending to continue study in **56A** and complete a specialisation in either **Critical Care and Retrieval** or **Community and Urgent Care** should select the following electives:

- **CAA500** Advanced Clinical Reasoning in Practice
- **CAA501** Clinical Examination and Diagnostics for Advanced Practice
