

Open Degree Development Grant Application Form

Important Information

This Application Form is intended for use by Open Universities Australia (OUA) partner universities to apply for OUA's Rapid Development Funding (RDF).

This Application Form is only to be used for the Open Degree Development Grant.

The Open Degree Development Grant is available to assist universities in fast tracking the development of new degrees and units, with priority given to proposals which meet the following criteria:

1. Degrees and units at undergraduate and postgraduate level that are currently not in the portfolio but are in demand.
2. Degrees and units at undergraduate and postgraduate level that are in demand and are currently represented in the OUA marketplace by other universities.

3. Where a university can demonstrate clear demand and return on investment for a niche or emerging degree or discipline area.

4. Degrees that can be brought to the marketplace within 6 months.

Note: The preparation and signing of a commercial agreement between OUA and the proposing university will follow the submission and subsequent approval of this Application Form.
