You must have a valid Unique Student Identifier (USI) prior to the census date in order to be eligible for a Commonwealth supported place under HESA. Your USI will be used to connect your student information to your personal details. You can log in and check or update your details at any time. Your USI is important because you will use it to track all your HELP and SLE entitlements through the www.myhelpbalance.gov.au portal. It is important that you only have one USI across the life of your studies, even if you study with multiple providers. If you already have a USI, and are undertaking further studies with a new provider, you must tell your new provider your USI. You can visit the www.myhelpbalance.gov.au portal regularly during your studies to ensure your records are accurate and that your records include all units of study you have undertaken. You can visit www.studyassist.gov.au for more information.

Please ensure your account details on the USI Registry system are up to date and correctly match the details (first, middle and last names, date of birth) provided here. If these details do not match, verification will fail and your education provider will contact you to resolve the issue. You will not be able to login to www.myhelpbalance.gov.au until your USI is verified.

Since 2021 new students must have a USI to be eligible for a CSP and certain other Commonwealth financial assistance under HESA including HECS-HELP, FEE-HELP, OS-HELP. If you have undertaken vocational education or training previously, you may already have a USI. Check if you have a USI, or create your USI at www.usi.gov.au.

From 1 January 2023 all higher education students, including those who commenced prior to 2021, must have a USI in order to be eligible for a CSP and be entitled to Commonwealth financial assistance (HECS-HELP, FEE-HELP, OS-HELP, SA-HELP and STARTUP-HELP). Students must also have a USI to graduate and receive their award, unless an exemption applies.
