B3B Bachelor of Economics

Industry, Policy & Business Strategy

[Semester 1](#)

[Semester 2](#)

Additional course information

Optional second major

You can use your elective space to complete an optional second major which may be chosen from the approved list of Business majors, or a major from another course.*

It is important to follow the recommended enrolment advice for your course as not all units are offered in both semesters each year. This means that if you choose to enrol into different units this may affect how long it takes you to complete your degree and graduate.

Where to get help with your study plan

If you have any questions about your study plan or enrolment because you

- ✓ have received credit/advanced standing towards your course
- ✓ are studying part-time
- ✓ would like help with adding a second major to your study plan

you are welcome to contact us on Uni.Connect@utas.edu.au

*Some exclusions apply. Not all majors can be taken by students in different courses.
