

Open Universities Australia provides open access without prerequisites to Australian higher education units. Students under the age of 16 may enrol, in units of study and, if eligible, access the Commonwealth Higher Education Loans Scheme, FEE-HELP. However, the nature of some units means that there may be sensitive material or mature content not appropriate for students under the age of 16.

Students under 16 wishing to enrol in units that contain mature content must complete this form with their parent/guardian and submit it in order for their enrolment to be processed. If you or your parent/guardian wish to seek further information on enrolment, please contact a Student Advisor on **13 OPEN**. (*local call charges apply; mobiles extra*).

This content may include:

- violence
- sex/sexual references
- coarse language
- adult themes
- drug use and/or
- nudity
